I just heard back from CPSC. Because only 1 person is going, they will arrange a separate tour later for the [Ex. 6 Personal Privacy (PP)] facility. So for May 16, we will meet in [Ex. 6 Personal Privacy (PP)] at 11 am to tour that facility only.

A little more information:

On May 16, the [Ex. 6 Personal Privacy (PP)] will begin around 11 am. It should last at least an hour.

For the 2nd [Ex. 6 Personal Privacy (PP)] EPA will probably not go because that facility makes playground surfaces and separately, the EPDM material that is not part of the research plan. So we at EPA don't see a need for us to go to [Ex. 6 Personal Privacy (PP)] CPSC might be interested though. I am still waiting to hear back from the person who will attend on this. You are welcome to tour [Ex. 6 Personal Privacy (PP)] if you think you would be interested.

Hi Jackie,
For logistical purposes we have a few questions.
1. Which airport should we fly in to?
2. Will transportation to and from the facilities be available or should we plan on meeting at the facility?
3. If transportation is available, what time will we be departing? If not, what time should we plan on the tour starting?
Thanks,
Elizabeth

Yes, I am trying to find out from CPSC if we should go to [Ex. 6 Personal Privacy (PP)] in the afternoon because they make playground surfaces. I will let you know as soon as I know.

We are confirmed for May 16th at [redacted]. We will start at the [redacted] facility. So, let me know soon if you all want to participate, and if so, if you want to add the [Ex. 6 Personal Privacy (PP)] plant as a second stop. Deciding whether CPSC will participate will likely affect the timing of the morning tour so we should try to determine if CPSC will come or not.

Thanks.

Jackie
